

Lamborghini Huracan 5.2 V10 640 2dr Auto AWD | Nov 2020

POA

Vehicle Features

3 points seat belts with pre-tensioner, Additional storage compartment under front center console, Aerodynamic design integrated in body shape - aerodynamic underbody optimization and radiator profile, Aerodynamic design integrated in body shape - front splitter integrated wing, Alcantara multilayer on upper dashboard and upper central door panel, All wheel drive system (AWD) with electronically controlled wet multi-disc clutch, All wheel steering, Aluminium lightweight body, Anti theft alarm, ASR, Auto lock system, Automatic dual zone air conditioning system with integrated active carbon filter, Badge recalling the denomination of the car (Huracan EVO) on rocker door cover, bluetooth, Bosch MED 17 engine management system, Carbo ceramic brake discs internally ventilated and cross drilled, center parts of the seats and door panels in smooth leather, Chrome Lamborghini logo in rear, Collapsible steering column, corsa), Cruise control, DAB Radio (Digital Audio Broadcasting), Dark tinted glass in windows and windscreen, Dashboard, dedicated brake cooling ducts, Deformation zones at front and rear with integral aluminium alloy bumpers, Double wishbone independent suspension with anti-roll bars on front and rear axles passive dampers, Drive by wire concept, Driving dynamics mode selector on the steering wheel (strada, EBD, Electrically adjustable, Electric power assisted steering (EPS) with variable steering ratio, Electric windows with one touch function, Electrochromic interior rear view mirror, Electronic stability control (ESC) with Lamborghini setup and ABS, Flush mounted exterior door handles, force limiters and height adjustment, Front and rear parking sensors, front bumper air curtain, Front head restraints, Fuel stratified injection (FSI) technologie, Full 12.3" TFT color display instrument cluster with adaptive visualization, Full LED lighting concept including double Y-shape DRL, Full size dual stage driver and passenger airbags,

Miles:	10000
Fuel Type:	Petrol
Transmission:	Semi-Automatic
Colour:	Black
Engine Size:	5204
CO2 Emission:	332
Tax Band:	Petrol/Diesel (£195 p/a)
Body Style:	Coupe
Insurance group:	Not Available
Reg:	LC70SFO

Technical Specs

DIMENSIONS	
Length:	4520mm
Width:	1933mm
Height:	1165mm
Seats:	2
Luggage Capacity (Seats Up):	100L

PERFORMANCE & ECONOMY	
Fuel Consum. (Combined):	20.3MPG
Fuel Tank Capacity:	80L
Number Of Gears:	7 SPEED
Top Speed:	202MPH
Acceleration 0-100 km/h:	2.9s
Engine Power BHP:	631.6BHP

Fully integrated steering wheel control with all main controls including side lights, Head and Thorax side airbags, headlamps, Headlight washers, heating and folding side mirrors with door panel single-arm attachment, High quality noise insulating carpeting, horn and driving dynamics mode selector, Immobiliser, Interior closed glove compartment in the dashboard, interior lights, Lamborghini Dinamica Veicolo Integrata (LDVI) central control unit managing AWD, Lamborghini Doppia Frizione (LDF) 7 speed dual clutch gearbox, Lamborghini Dynamic Steering (LDS), Launch control function (thrust mode in CORSA and race start in SPORT), LAWS, licence plate lights, Light alloy construction, Lightweight chassis hybrid construction concept in aluminium and carbon fiber, Multi-media interfaces including USB connections, Multi point injection (MPI) technologie, On board trip computer, radio with RDS double tuner, rear diffuser, rear upper panel with slotted spoiler, Remote central locking including luggage compartment, Service indicator, Side impact bars in the door structure, side light, sport, Start/Stop function, Storage compartments in doors, Sunvisors with vanity mirrors, Super sport exhaust sound system with high mounted tail pipes, tail lights, torque vectoring and traction control, Totally integrated electronic control units (ECUs), Touch screen infotainment system - 8.4" portrait orientated screen with 3D nav with real time traffic, Tyre pressure monitoring system (TPMS), Tyre sealing compound and electric air compressor kit, Underbody panelling with integrated NACA cooling air intakes, Wheel hub with coloured Lamborghini crest, Windscreen washer system with 2 wiper speeds and adjustable intermittent wiper, windscreen wiper
